

Master of Arts in Biology

SUNY Buffalo State Xi'an Jiaotong University City College

3+2 Program

This document describes the requirements for admission for students at Xi'an Jiaotong University City College (XJTUCC) to the SUNY Buffalo State – XJTUCC 3+2 program for the Master of Arts (M.A.) program in Biology. The requirements described here are specific to the M.A. – Biology program, and are in addition to general requirements for the 3+2 program.

For admission to the Buffalo State – XJTUCC 3+2 M.A. – Biology program, students must have completed or demonstrated the following:

1. At least 48 credit hours of science and mathematics courses, including a minimum of 18 credit hours in biology.
2. Students must be enrolled in a Bachelor's degree at XJTUCC in a scientific discipline, such as chemistry, biology, geography, geology, earth science, environmental science, or in mathematics

The requirements for admission listed here are for XJTUCC students in the 3+2 program only.
